Dear Parent/Carer

Re: Partial school closure

I write to inform you that due to the unforeseen and rapidly changing situation in relation to Coronavirus, I have taken the decision to partially close the school.

The reasons for doing this is due to the number of staff that are either unwell or self-isolating which has resulted in our inability to operate fully.

In order for our Y11 and sixth form learners to continue with their revision and preparation for GCSE examinations, school will remain open for them and our younger Y7 and Y8 learners.

This means school is now closed for Y9 and Y10 learners until Monday 20 April 2020.

I am sure you will understand the health and safety of all our staff and learners is paramount and I will continue to keep you updated.

We are following closely the guidance provided to us from Public Health England, the DfE and our Local Authority colleagues.

For those children who will not be in school could our parents/carers ensure they access remote learning on the following websites, there is plenty of learning resources to access:

www.picture-news.co.uk	www.salamander.com
www.topmarks.co.uk	www.thisismaths.co.uk
https://play.ttrockstars.com/	https://www.bbc.co.uk/bitesize
http://www.englishbiz.co.uk/	https://revisionworld.com/
https://getrevising.co.uk/	https://www.senecalearning.com/
https://www.emaths.co.uk/	

It is important to try keep routines in place during this turbulent period. Additionally, please keep an eye on our websites for further updates. The situation is being closely monitored and updated daily.

Finally, can I thank you for your patience and understanding whilst we go through this complex period. Keep yourself and your family safe and well

Yours sincerely

Lyndsey Brown
Headteacher
